FREEHOLD

A wonderful private landscaped plot, a huge amount of parking and carriage driveway, are just a few features of this exceptionally spacious detached bungalow. This stunning home has been extensively improved by the current owners who have created in our opinion one of the finest homes of its kind in the area.

In particular they have sympathetically remodelled the kitchen and dining room by knocking down the wall between the rooms and creating a simply stunning kitchen/dining/day room that opens out onto, and enjoys views of the private gardens. This incredible open plan space has been cleverly designed to make the very best of the space on offer. The kitchen area comprises sleek gloss fronted units with beautiful pale quartz worktops and subtle LED lighting. High quality appliances include a Fisher & Paykel twin draw dishwasher, Bosch oven, combination oven & plate warming drawer, fridge freezer and wine cooler.

As well as the sociable open plan kitchen area there is a lovely large sitting room with multi fuel burner that has can be accessed by twin glazed doors from both the kitchen/dining room and reception hall.

All four bedrooms are generous doubles and conveniently positioned at one end of the property, keeping the living and sleeping quarters separate. The primary bedroom has fitted wardrobes and a sleek modern en-suite shower room while the remaining bedrooms have use of a beautifully fitted 4-piece family bathroom with separate shower cubicle with a rainfall shower head and double-ended bath. Bedroom two also has useful fitted wardrobes.

This fabulous home further benefits from contemporary style oak veneer doors, gas central heating and double glazing.

The rear garden enjoys high levels of privacy and seclusion and has been thoughtfully designed for outdoor entertainment. There is a large terrace and well-tended area of lawn and its all enclosed by fencing and mature shrubs and hedging.

Also located in the garden is another important feature, the fantastic double garage with remote sectional door. This is perfect for any enthusiasts looking to renovate a car/motorcycle or who needs a workshop. In addition to the garage there are three further incredibly useful workshops/storage units.

The front is entered by a carriage driveway with twin 5-bar gates providing a large amount of parking. Twin secure gates then give access to the rear of the property where further parking for boats/caravans etc. can be found.
